2. Members of the Convention Standing Committees need not be delegates or alternates to the 2020 Democratic National Convention. (Call VII.A.3)
3. These members will be selected in accordance with the procedures indicated below. (Rule 1.G)

B. Standing Committee Members

1. Selection Meeting
 - a. The members of the standing committees shall be elected by a quorum of Kentucky's National Convention delegates, at a meeting to be held on June 6, 2020. (Call VII.B.1)
 - b. All members of the delegation shall receive adequate notice of the time, date and place of the meeting to select the standing committee members. (Call VII.B.1)
2. Allocation of Members
 - a. The members of the standing committees allocated to Kentucky shall proportionately represent the presidential preference of all candidates (including uncommitted status) receiving the threshold percentage used in the state's delegation to calculate the at-large apportionment pursuant to Rule 14.E. of the Delegate Selection Rules. (Call VII.C.1 & Reg. 5.9)
 - b. The presidential preference of each candidate receiving the applicable percentage or more within the delegation shall be multiplied by the total number of standing committee positions allocated to Kentucky. If the result of such multiplication does not equal 0.455 or above, the presidential preference in question is not entitled to representation on the standing committee. If the result of such multiplication is 0.455 but less than 1.455, the presidential preference is entitled to one (1) position. Those preferences securing more than 1.455 but less than 2.455 are entitled to two (2) positions, etc. (Call VII.C.2)

- c. Where the application of this formula results in the total allocation exceeding the total number of committee positions, the presidential candidate whose original figure of representation is farthest from its eventual rounded-off total shall be denied that one (1) additional position. Where the application of this formula results in the total allocation falling short of the total number of committee positions, the presidential candidate whose original figure of representation is closest to the next rounding level shall be allotted an additional committee position. (Call VII.C.3)
 - d. Standing committee positions allocated to a presidential candidate shall be proportionately allocated, to the extent practicable, to each of the three (3) standing committees. When such allocation results in an unequal distribution of standing committee positions by candidate preference, a drawing shall be conducted to distribute the additional positions. (Call VII.C.4)
- 3. Presidential Candidate Right of Review
 - a. Each presidential candidate, or that candidate's authorized representative(s), shall be given adequate notice of the date, time and location of the meeting of the state's delegation authorized to elect standing committee members. (Call VII.D.1)

Each presidential candidate, or that candidate's authorized representative(s), must submit to the State Democratic Chair, by 4 pm ET on May 26, 2020, a minimum of (1) name for each slot awarded to that candidate for members of each committee. - 4. Selection Procedure to Achieve Equal Division
 - a. Presidential candidates (including uncommitted status) shall use their best efforts to ensure that their respective delegation of standing committee members shall achieve Kentucky's affirmative action, outreach and inclusion goals and that their respective male and female members are equally divided between the men and women determined by gender self-identification. (Rule 6.1 & Reg. 4.10)
 - b. The first binary gender position on each standing committee shall be assigned by binary gender as self-identified. For example, the first binary position on the Credentials Committee of the presidential candidate with the most standing committee positions shall be designated for a male, and the next binary

position, if one occurs, will be designated for a female, and the remaining binary positions, to the extent they occur, shall be designated in like fashion, alternating between males and females, where applicable. For avoidance of doubt: there is no requirement that positions be assigned to gender non-binaries but the described alternation of binary genders may not be used to exclude a gender non-binary from consideration for a committee position. Positions for presidential candidates on each committee shall be ranked according to the total number of standing positions allocated to each such candidate. After positions on the Credentials Committee are designated by gender, the designation shall continue with the Platform Committee, then the Rules Committee.

- (1) A separate election shall be conducted for membership on each standing committee.
- (2) The male and female membership of the standing committees shall be as equally divided among the men and women as possible under the state allocation; the variance between men and women in any committee or among the three committees in aggregate shall not exceed one. (Call VII.E.2)
- (3) Gender non-binary committee members shall not be counted as either a male or female, and the remainder of the delegation shall be equally divided between male gender (men) and female gender (women). (Call VII.E.1)
- (4) The positions allocated to each presidential candidate on each committee shall be voted on separately, and the winners shall be the highest vote-getter(s) of the appropriate gender.

5. Certification and Substitution

- a. The State Democratic Chair shall certify the standing committee members in writing to the Secretary of the Democratic National Committee within three (3) days after their selection. (Call VII.B.3)

Substitutions must be made in accordance with the rules and the election procedures specified in this section, and must be certified in writing to the Secretary of the Democratic National Committee within three (3) days after the substitute member is selected but not later than 48 hours before the respective standing committee meets, except in the case of death. B. Representation Goals

1. In cooperation with the National Committee, the Kentucky Democratic Party has determined the demographic composition of African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders in the state's Democratic electorate. These constituency percentages shall be established as goals for representation in the state's convention delegation. (Rule 6.A)
2. In cooperation with the National Committee, the Kentucky Democratic Party has determined the demographic composition of members of the LGBTQ+ community, people with disabilities, youth, labor unions, teachers and public employees, and active military and veterans in the state's Democratic electorate. The Kentucky Democratic Party has chosen to establish these percentages as goals for representation in the state's convention delegation. (Rule 7 & Reg. 4.8.C.iii))
3. The Kentucky Democratic Party in coordination with the National Party determined the demographic composition of the state's Democratic electorate. This was done via a four- step process: (1) Estimate the number of Democrats in Kentucky by multiplying the size of the state's citizen voting-age population (CVAP) by the level of Democratic support. (2) Estimate the number of eligible voters from each demographic group in the state multiplying the state's CVAP by the percentage of the population belonging to each group. (3) Estimate the number of Democrats in each demographic group by multiplying the size of each group =by the level of Democratic support from each group. (4) Estimate the prevalence of each demographic group among Democratic supporters in the state by dividing our estimates of the number of Democrats in each group by the estimates of the number of Democrats in.

Per the analysis done by the National Party, there are 3,313,800 eligible voters, based upon age and citizenship. 46.86% of Kentucky's overall population support Democrats, or 1,552,936 Democratic voters. The [Citizen Voting Age Population by Race and Ethnicity](#) was used in the determination of the goals for African Americans, Hispanics, Native Americans, and Asian Americans and Pacific Islanders.

For young voters and disabled voters, the percentage of eligible voters in those

State 2020 Delegate Selection Plan

categories was estimated by dividing the disabled and youth population size by the voting-age population size.

For the LGBTQ+ population, the estimate relied upon [Gallup's report](#) on LGBT identification by state, which is based upon more than 400,000 interviews from 2015-2016; in Kentucky, the estimate is 3.3%. To calculate Democratic support among LGBT voters, a single national estimate is assigned based upon [2018 exit polls](#). In that survey, Democrats held a 6.3 to 1 advantage over Republicans (or 86.3%) in terms of party identification, so we use that same ratio in the calculations of Democratic support from LGBT voters in Kentucky. The goal was determined by calculating:

$$\frac{3.3\% \text{ LGVTQ+ identification} * \text{Total CVAP of } 3,313,800 * 86.3\% \text{ Democratic Support}}{1,552,936 \text{ Total Number of Democrats}}$$

The calculated LGBTQ+ Americans percentage of the democratic electorate is 6%.

For Labor Union members, according to the [Bureau of Labor Statistics](#), there were 174,000 union members in Kentucky in 2017. For Union voters, the Democratic support estimate is assigned based upon [2018 exit polls](#). In that survey, union members voted for Democrats 58% of the time. The goal was determined by calculating:

$$\frac{174,000 \text{ Union Members} * 58\% \text{ Democratic Support}}{1,552,936 \text{ Total Number of Democrats}}$$

The calculated union member percentage of the democratic electorate is 6.5%.

The total number of full-time, part-time and temporary public employees as reported from the [Kentucky Personnel Cabinet's 2018 Annual Report](#) is 36,666. This does not include teachers. The [Kentucky Department of Education](#) reports that there are 42,146 public school teachers and 8,842 employed certified staff. The total teacher and public employees is $36,666 + 42,146 + 8,842 = 87,654$. There is not exit polling data for this demographic group, so 46.86% Democratic support in Kentucky was used. The goal was determined by calculating:

$$\frac{87,654 \text{ Teachers and Public Employees} * 46.86\% \text{ Democratic Support}}{1,552,936 \text{ Total Number of Democrats}}$$

The calculated Public Employees + Teachers percentage of the democratic electorate is 2.7%.

The total number of veterans as of 2017 as reported from the [Kentucky Department of Veterans Affairs](#) is 295,390. According to the [Bureau of Economic Analysis](#), the total number of active military (using 2017 NAICS) is 44,911. The total Veterans and Active Military Members is $295,390 + 44,911 = 340,301$. For Veterans, the Democratic

State 2020 Delegate Selection Plan

support estimate is assigned based upon [2018 exit polls](#). In that survey, veterans voted for Democrats 41% of the time. The goal was determined by calculating:

$$\frac{340,301 \text{ Veterans and Active Military} * 41\% \text{ Democratic Support}}{1,552,936 \text{ Total Number of Democrats}}$$

The calculated Veterans/Active Military Members percentage of the democratic electorate is 9%.

	African Americans	Hispanics	Native Americans	Asian Americans and Pacific Islanders	LGBTQ+ Americans	People with Disabilities	Youth	Veterans & Active Military	Teachers & Public Employees	Labor Unions
Percent in Democratic Electorate	14%	3%	0%	1%	6%	21%	29%	9%	2.7%	6.5%
Numeric Goals for Delegation	6	2	1	1	3	4	12	4	1	3

4. When selecting the at-large portion of the delegation, the demographic composition of the other delegates (district-level, pledged PLEO, and Automatic) shall be compared with the Kentucky Democratic Party’s representation goals to achieve an at-large selection process that helps to bring about a representative balance. (Rule 11.A)
5. Although the selection of the at-large delegation may be used to fulfill the affirmative action goals established by this Plan, the Kentucky Democratic Party will conduct outreach and inclusion activities such as recruitment, education and training at all levels of the delegate selection process. (Rule 6.A.3)

C. Efforts to Educate on the Delegate Selection Process

1. Well-publicized educational workshops will be conducted in each of the delegate districts beginning in September 2019. These workshops will be designed to encourage participation in the delegate selection process, including apprising potential delegate and alternate candidates of the availability of financial assistance. These workshops will be held in places that are easily accessible to persons with disabilities. The times, dates, places and rules for the conduct of all education workshops, meetings and other events involved in the delegate selection process shall be effectively publicized by the party organization and include mailings to various organizations representative of the Democratic voting electorate. Copies of documents related to the state's delegate selection process will be prepared and the Kentucky Democratic Party and Affirmative Action Committee will distribute them in the various delegate districts not later than January 1, 2020. (Rule 1.H)
5. Participation in the delegate selection process shall be open to all voters who wish to participate as Democrats. Democratic voters shall be those persons who publicly declare their Party preference and have that preference publicly recorded. (Rule 2.A)
6. The Kentucky Democratic Party shall take all feasible steps to encourage non-affiliated voters and new voters to register or enroll, to provide simple procedures through which they may do so and to eliminate excessively long waiting periods for voters wish to register or to change their party enrollment status. (Rule 2.C)
7. The Affirmative Action Committee will develop a Kentucky Democratic Party strategy to be implemented beginning September 13, 2019 that will provide education programs directly to voters who continue to experience confusing timelines for registration, changing party affiliation deadlines, or lack of awareness of the process for running for delegate, to ensure all Democratic voters understand the rules and timelines and their impact on voter participation. (Rule 4.B.5)

Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates shall be posted/released throughout the state's delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. (Rule 4.B.3 & Rule 6.D)
3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be posted on and made available to social and specialty media directed toward the Democratic constituency groups set forth in the introduction of this Affirmative Action Plan and Outreach and Inclusion Program.

2. Each presidential candidate must submit a written statement to the State Democratic Chair by March 26, 2020 which indicates the specific steps they will take to encourage full participation by their supporters in Kentucky's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate pledged to the presidential candidate.
